

EGOR KRYVOI

About

I was born in Ukraine. I lived in Kamianske, Dnipro for 11 years. In 2018, I moved to Poland and I live there now. I like programming and making websites. I know front-end development quite well, and I'm at a middle level. I also know other programming languages. I also like swimming. I swam a lot in primary school and took part in many competitions. I love animals very much.
